## Engine Specs & Towing Capacity

Select your level of power — the 2022 Jeep Cherokee is available with two engine options to choose from. The epic Pentastar® V6 engine gives you stunning towing capability, while the turbocharged four-cylinder engine offers the added boost of power you’ve been looking for.

Both engines are paired with a nine-speed automatic transmission, while the Cherokee X and above trims are standard with a 4x4 system, either Jeep Active Drive I or Jeep Active Drive II. All 4x4-equipped models come with Selec-Terrain® traction management system, which comes with different modes that deliver added stability and traction for different types of terrain.

ENGINE	3.2L Pentastar® V6	2.0L turbo I4
HORSEPOWER	271 HP	270 HP
TORQUE	239 lb.-ft	295 lb.-ft.

TRANSMISSION	Nine-speed automatic	Nine-speed automatic
DRIVE SYSTEM	FWD or 4x4	FWD or 4x4
MAX. TOWING	4,500 lbs.	4,000 lbs.
MAX. MPG	20 city / 29 hwy	23 city / 31 hwy

## Interior Design & Cargo Space

Get cozy inside the five-seater 2022 Jeep Cherokee. It has a total of 54.7 cubic feet of cargo space, plus a multi-level cargo floor to accommodate your needs. Choose from a number of seating materials including a combination of cloth and vinyl, as well as soft leather. Keep everyone in the cabin content with available dual-zone automatic climate control, now equipped with an air filter. Additionally, let in some sunshine or allow your rear-seat passengers stargaze with the available dual-pane panoramic sunroof.

Other available interior features include:

- Heated steering wheel
- Heated and ventilated front seats
- Full-length floor console
- Auto-dimming rear view mirror
- Liquid Titanium, black, or Piano Black interior accents
- Universal garage door opener

## Technology

In the 2022 Cherokee, advanced technology is at your fingertips. Standard with the Uconnect® 4 infotainment system with an 8.4-inch touchscreen, the Cherokee can stand in as your personal assistant. The Jeep Cherokee is also available with the Jeep Skill for Amazon Alexa, which allows you to start your Cherokee and check fuel levels, among many other capabilities. Are you a music enthusiast? You'll love hearing your favorite songs through the available Alpine® nine-speaker premium audio system with an 8-inch subwoofer.

Other available technology features include:

- Navigation
- Voice command and hands-free calling capabilities
- Apple CarPlay® and Android Auto™ compatibility
- Remote start system
- SiriusXM® Satellite Radio and SiriusXM Guardian™
- 3.5- or 7-in. driver gauge display

## Safety Features

With over 80 standard and available safety features, the 2022 Jeep Cherokee is sure to offer the peace of mind you're looking for. It's available with innovative driver assistance technologies like blind spot monitoring with rear cross path detection, which alerts you when a vehicle is in your blind zone or in your path while backing up, and the LaneSense® lane departure warning system, which sends visual and audible alerts if you unintentionally drift out of your lane.

Other available safety features include:

- Full speed forward collision warning with active braking
- ParkView® rear backup camera with dynamic gridlines
- ParkSense® rear park assist with stop
- Parallel and perpendicular park assist with full stop
- Adaptive cruise control with stop and go
- Automatic headlamps
- Rain-sensing windshield wipers
