ENGINE	3.5L V6
HORSEPOWER	260 HP
TORQUE	240 lb.-ft.
MAX. TOWING	1,500 lbs.
MAX. MPG (CITY / HWY)	20 / 28

2023 NISSAN MURANO

EXTERIOR DESIGN

Exuding style and sophistication, the 2023 Nissan Murano has head-turning design elements, as well as functional exterior features that help streamline your drive. It’s available with 18- and 20-inch wheels in several different designs and finishes, and is available with a motion-activated liftgate for easy cargo area access.

Choose the 2023 Murano Midnight Edition® that’s as unique as you are for dark exterior finishes. The Murano Midnight Edition includes 20-inch black aluminum alloy wheels, custom floor mats, and black accents, including the side mirrors and roof rails.

Other available exterior features include:

# INTERIOR DESIGN & TECHNOLOGY

With smart interior innovations and advanced technology, the Nissan Murano has the in-cabin experience for a comfortable daily drive. Dual-zone automatic climate control allows front-row passengers to set the temperature to their liking, while available climate controlled front seats add another layer of customization. Depending on the trim package you select, the Murano is appointed with your choice of cloth, leatherette, leather, or semi-aniline leather seats.

Other available interior features include:

- Heated rear seats
- Heated steering wheel
- Leather-wrapped steering wheel and shift knob
- Ten-way power driver's seat with power lumbar support
- Auto-dimming rear view mirror
- Adjustable ambient LED lighting

In the 2023 Murano, state-of-the-art technology is at your fingertips. The standard 7-inch Advanced Drive-Assist™ display has the ability to show important information — such as turn-by-turn directions and caller ID — just below your line of sight for fewer distractions. If you're a music enthusiast, it's crucial that you opt for the Bose® 11-speaker premium audio system. This system has an expansive frequency range, always providing clear, distortion-free highs and lows.

Other available technology features include:

- NissanConnect® infotainment system with 8- or 9-in. touchscreen
- Apple CarPlay®, Android Auto™, and Bluetooth® compatibility
- SiriusXM® Satellite Radio
- Wi-Fi® hotspot
- Nissan Door-to-Door Navigation
- Remote engine start system with Intelligent climate control
- Nissan Intelligent Key® with push-button ignition
