2023 MERCEDES-BENZ GLA SUV

Exterior Design

Luxury meets sporty design with the 2023 Mercedes-Benz GLA SUV. Complete with three different wheel sizes — 18, 19, and 20 inches — in a number of designs, as well as an optional open-air panoramic roof and aerodynamic design for agile performance, the 2023 Mercedes-Benz GLA SUV takes your breath away. Opt for AMG® Line body styling for a host of athletic design elements like 19-inch AMG® wheels, large air intakes, and twin chrome tailpipes, among other features.

Additional exterior features available on the 2023 Mercedes-Benz GLA SUV include:

- Aluminum roof rails
- Rain-sensing windshield wipers
- Heated side mirrors
- Power liftgate

Interior Design & Technology

Innovation is at your fingertips with the 2023 Mercedes-Benz GLA SUV, all thanks to the great attention to detail put into constructing this luxury model. Relax in MB-Tex upholstery, a supple leather alternative that's hand-fitted to each seat. The Mercedes-Benz User Experience (MBUX) command center with 7-inch touchscreen allows you to access the radio, pair your phone for hands-free communication, and adjust vehicle controls.

Other available interior and technology features include:

- Dual-zone automatic climate control
- Power front seats with three-position memory
- Remote start via Mercedes me mobile app
- 7-in. digital instrument cluster
- Touchpad controller
- Apple CarPlay®, Android Auto™, and Bluetooth® capable

Safety Options

With driver assistance and safety features designed to give you better peace of mind and more confidence, the 2023 Mercedes-Benz SUV is filled with forward-thinking systems that you'll appreciate. ATTENTION ASSIST®, a monitoring system, detects up to 70 parameters of driving behavior, which allows it to detect warning signs of drowsiness. It will then alert you to correct this driving behavior. Should an accident occur, the Mercedes-Benz Emergency Call Service will connect you with an expert who can contact emergency services if necessary.
