2023 KIA TELLURIDE

Engine & Performance

You'll find the same vigorous V6 engine under the hood of all 2023 Kia Telluride trims, plus a standard eight-speed automatic transmission and available front-wheel drive (FWD) or all-wheel drive (AWD). If you're looking for enhanced stability and traction, you'll love active on-demand AWD with AWD lock and snow mode. This AWD system uses sensors to monitor road conditions, thus distributing power to specific wheels. Additionally, the Telluride can tow up to 5,000 pounds and is available with self-leveling rear suspension to better support heavy loads.

3.8L GDI V6	ENGINE
291 HP	HORSEPOWER
262 lb.-ft.	TORQUE
5,000 lbs.	MAX. MPG (CITY /HWY)
20 / 26	MAX. MPG (CITY /HWY)

Exterior Design

Exterior style is a main element of the 2023 Kia Telluride. From polished to bold, there are several different color schemes to choose from that appear on the grille, window surrounds, door molding, and door handles, such as satin chrome and dark metallic. High-utility roof rails are available on certain trims to add extra capability, while X-Line and X-Pro Telluride trim packages feature unique body design to match their fierce capabilities.

Other available exterior features include:

- Rear spoiler
- Low profile roof rails
- Heated side mirrors with LED turn signals
- Dual sunroofs
- Smart power tailgate with auto close
- Auto rain-sensing windshield wipers
- LED headlights, tail lights, and fog lights
- 18- and 20-in. wheel options

Interior Design & Technology

Find comfortable, engaging, and connected interior amenities within the 2023 Kia Telluride. It's available with SynTex, leather or Nappa leather seat trim depending on your preferred Telluride trim package, as well as heated and ventilated front seats. For greater driver comfort, the Kia Telluride is available with either an eight-way power driver's seat with two-way power lumbar support or a ten-way power driver's seat with four-way power lumbar support.

Other available interior features include:

- Dual-zone automatic climate control with auto defog system
- Auto-dimming rear view mirror
- 64-color mood lighting
- Integrated second-row sunshades
- Heated second-row seats
- Leather-wrapped steering wheel and gear shift knob
- Heated steering wheel

Surrounding you with innovation, the Kia Telluride delivers the audio and connectivity features you're looking for. The standard 12.3-inch touchscreen infotainment display is the key to accessing main features like navigation vehicle controls, and SiriusXM® Satellite Radio. The Telluride is also standard with a Wi-Fi® hotspot just in case you need an internet connection on the go.

Other available technology features include:

- Six-speaker audio system or Harman Kardon® premium audio system with ten speakers
- Driver Talk intercom system
- Apple CarPlay®, Android Auto™, and Bluetooth® compatibility
- 4.2- or 12.3-in. driver gauge cluster screen
- Wireless charger
- 10-in. head-up display
