2023 NISSAN PATHFINDER

ENGINE & PERFORMANCE

Whether you're running errands or headed out for your next adventure, the Nissan Pathfinder is sure to provide you with the power and capability you're looking for. All Pathfinder trims are equipped with a V6 engine, a nine-speed automatic transmission, and front-wheel drive (FWD). You can upgrade to a 4x4 drive system for added traction and stability, and get it as a standard feature with the Pathfinder Rock Creek.

Speaking of, the Pathfinder Rock Creek is perfect for drivers looking to go off the beaten path more regularly. It comes with larger tires, off-road-tuned suspension, and an off-road driving mode.

See the accompanying table for more performance details.

3.6L V6	Engine
295 HP ROCK CREEK / 284 HP ALL OTHER TRIMS	Horsepower
270 LB.-FT. ROCK CREEK / 270 LB.-FT. ALL OTHER TRIMS	Torque

6,000 LBS.	Max. Towing
21 / 27	Max MPG (city / hwy)

EXTERIOR DESIGN

Find rugged yet modern design on the 2023 Nissan Pathfinder. With available roof rails for additional cargo opportunities and slim, visibility-enhancing LED lighting, you'll feel content behind the wheel. Looking for an even tougher on-the-road presence? The Pathfinder Rock Creek has blackout accenting, an exclusive grille, and a black tubular roof rack, among other features.

Other available exterior features include:

- 18- or 20-in. wheel options
- LED headlights, daytime running lights, tail lights, and fog lights
- Heated side mirrors with LED turn signal indicators
- Motion-activated liftgate
- Panoramic moonroof
- Rain-sensing windshield wipers

INTERIOR DESIGN & TECHNOLOGY

Comfort is a priority in the Nissan Pathfinder, no matter which row you're sitting in. Standard tri-zone automatic temperature control allows all passengers to find their right level of comfort. Second-seat passengers will appreciate the available heated seats and pull-up sunshades. And if you're in the first row, you can enjoy available heated and ventilated seats.

Other available interior features include:

- Auto-dimming rear view mirror
- 10 or 12 cup holders
- Ten-way power driver's seat
- Cloth, leatherette, leather, or semi-aniline leather seats
- Heated, leather-wrapped steering wheel
- Piano Black, Gun Metallic, or Bronze Metallic interior trim

Need to stay connected and keep your rear-seat passengers entertained? The Pathfinder can help! Take advantage of the multi-purpose NissanConnect® infotainment system with either an 8- or 9-inch touchscreen. You can also easily pair your phone to the infotainment system through Apple CarPlay®, Android Auto™, or Bluetooth® technology.

Other available technology features include:

- Advanced Drive-Assist™ display or digital dashboard with fully digital gauges
- Nissan Door to Door Navigation with premium traffic
- Head-up display
- SiriusXM® Satellite Radio
- Six-speaker audio system or Bose® premium audio system with 13 speakers and dual subwoofers
- Wireless charger
