2022 GMC CANYON EXTERIOR DESIGN

The 2022 GMC Canyon is available in several different cab and bed configurations to match your requirements. Depending on the trim package you select, choose between a crew cab and 61.7-inch box; a crew cab and 74-inch box, or an extended cab with 74-inch box.

Style- and utility-wise, the 2022 Canyon offers bold design elements and features meant for rugged activities. For heightened off-road possibilities, select the Canyon AT4 with Goodyear® Wrangler 31-inch DuraTrac® tires and 17-inch wheels. Choose the Canyon Denali for premium style such as a sculpted grille, exclusive wheels, 5-inch chrome assist steps, and a spray-on bedliner.

Other available exterior features on the 2022 GMC Canyon include:

- 17-, 18-, and 20-in. wheel options
- Cargo box LED lighting
- Heated power outside mirrors
- Remote locking tailgate
- EZ Lift and Lower tailgate
- LED fog lamps
