2022 FORD EXPLORER

Exterior Design

With sleek curvature and rugged design elements, the 2022 Ford Explorer is an eye-catching SUV with personality. Let in the great outdoors with the available twin-panel moonroof, and easily access the cargo space with the hands-free, foot-activated liftgate. If you opt for the Explorer Timberline, you can equip it with Yakima® accessories like the Yakima SkyBox roof storage box and the Yakima FrontLoader bike carrier to better prepare for your next camping or biking excursion.

Other available exterior features include:

- LED headlamps, fog lamps, and tail lamps
- Roof rails
- Rain-sensing wipers
- Heated side mirrors with LED turn signal indicators
- Rear bumper step pad
- Liftgate spoiler

2022 FORD EXPLORER

Interior Design & Technology

Stunning design and convenient technologies are all yours in the 2022 Ford Explorer! The southwestern-inspired Explorer King Ranch® comes with Mesa Del Rio leather seats and accenting, while the Explorer ST has modern and sporty design elements like City Silver accent stitching throughout the cabin. Standard on all Explorer trims, you and your passengers will appreciate the tri-zone automatic temperature control system for comfort for each row.

Other available interior features include:

- Cloth, ActiveX™, and leather upholstery options
- Heated front- and second-row seats
- Ventilated front seats
- Heated, leather-wrapped steering wheel
- Auto-dimming rear view mirror
- Multi-color ambient lighting
- Second-row sunblinds

In the 2022 Ford Explorer, you'll always be connected thanks to the availability of the SYNC® 3 infotainment system, standard with an 8-inch touchscreen and available with a built-in navigation system. On the go frequently? Easily charge your phone with the available wireless charging pad.

Other available technology features include:

- Universal garage door opener
- Intelligent Access with push-button start
- 12.3-in. driver instrument panel screen
- B&O® sound system by Bang & Olufsen with 12 or 14 speakers
- SiriusXM® Satellite Radio
- FordPass Connect™ 4G LTE Wi-Fi® hotspot
- Apple CarPlay® and Android Auto™

2022 FORD EXPLORER

Engine & Performance

Enjoy a powerful, smooth, and capable performance from the 2022 Ford explorer. Available with

three different engines — including a V6 hybrid engine — the Explorer is bound to meet your expectations. All engines are paired with a ten-speed automatic transmission and rear-wheel drive (RWD), although intelligent four-wheel drive (4WD) is available for greater traction and stability, particularly when driving through inclement weather conditions.

Looking for a memorable off-roading experience? The 2022 Ford Explorer Timberline is the adventurous SUV you've been waiting for. With increased ground clearance, underbody skid plates, and the TORSEN® limited slip rear differential, you'll be all set for your next journey. Additionally, the intelligent 4WD system with the Terrain Management System™ takes your excursion a step further with several different modes that quickly adjust to the type of terrain you're traversing.

ENGINE	2.3L EcoBoost® I4	3.0L EcoBoost V6	3.3L Hybrid V6
HORSEPOWER	300 HP	400 HP	318 HP
TORQUE	310 lb.-ft.	415 lb.-ft.	322 lb.-ft.
MAX. TOWING	5,300 lbs.	5,600 lbs.	5,000 lbs.
MAX. MPG (CITY / HWY)	20 / 28	18 / 25	27 / 28

2022 FORD EXPLORER

Capacity & Seating

Designed to accommodate your active lifestyle, the flexible 2022 Ford Explorer can seat up to seven passengers and has a total passenger capacity of 152.7 cubic feet. With the E-Z Entry second row, your third-row passengers can more easily access their seats. Don't have third-row passengers? Simply fold down the available PowerFold® third-row seats for more cargo space.

Speaking of cargo space, the 2022 Explorer comes with an 87.8 cubic feet cargo compartment (with the second and third rows folded down). You can also better organize your space with the available cargo management system, which has extra side pockets and even an under-floor storage compartment for added privacy and space.

2022 FORD EXPLORER

Safety Options

To boost your confidence, the 2022 Ford Explorer is available with Ford Co-Pilot360™ driver assistance technology. Designed to help you navigate the many nuances regular traffic brings, Ford Co-Pilot360 offers the added security you're looking for.

Ford Co-Pilot360 features include:

- Auto high beam headlamps
- Rear view camera
- BLIS® (blind spot information system) with cross traffic alert
- Pre-collision system with automatic emergency braking
- Lane keeping system
- Intelligent adaptive cruise control
